

Fund Raising

Hattiesburg Youth Soccer Association is kicking off their 2006 – 2010 fund raising efforts to raise money to improve our facilities. Our goal is to raise \$675,000 over the next four years.

Fields - Our 12 original fields are currently in poor shape and need to be re-worked. Some of these fields have become a safety hazard with pot holes and soft spots on them. When it rains these fields stay saturated for days making them unplayable. To re-work these fields will require that the top soil be removed, sprinklers and drains added, top soil replaced with a 1.5" center crown and new sod installed. Current estimate to re-work a field is \$31,000 dollars. We plan to work the City of Hattiesburg to re-work these 12 fields at a pace of 3 fields per year.

Lights – Currently we have 6 lighted fields, but we are in need of 4 additional lighted fields. We are in need of additional lighted fields in order to provide additional practice locations for our teams as well as giving us the ability to host Regional and Collegiate tournaments.

Please check the following box if you wish to make a donation towards improving our facilities. Hattiesburg Youth Soccer Association is a non-profit organization and all donations are tax deductible.

Field Sponsorship - \$2,000 – Company to sponsor a field for one year. A sign will be installed on the sponsored field that will include the sponsor's name and logo. All field maps and schedules will refer to the fields by the sponsor's name. This includes not only HYSA league play, but also all tournaments played at Tatum Park. This program will provide the sponsor advertising to more than 600 teams, 8,400 players, and 16,800 parents.

Lights - \$75,000 – This is to light one field. The light polls will have the sponsors name permanently engraved on them.

Private donations

You will receive a receipt on your certificate of donation.

Platinum \$1,500 Gold \$1,000 Silver \$500

Bronze \$100 \$50 \$25 Other _____
